

Silos Córdoba offers a wide range of accessories for diverting products in the different equipment that make up an installation to achieve greater versatility. Each accessory has been designed to ensure a long service life, high reliability, and full compliance with European safety laws, addressing issues related to product hygiene.

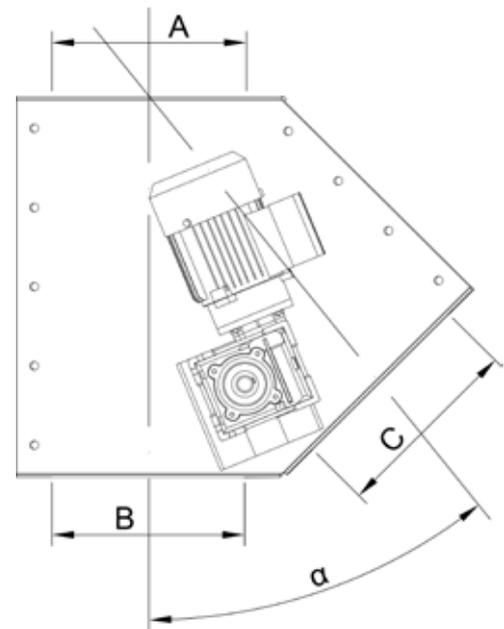

TWO WAY DIVERTER VALVE

Bidirectional valves with manual, pneumatic, and motorized operation, manufactured with a flap valve for selective product conduction.

Available in 45°, 60°, and 90° configurations.

DIMENSIONS A, B, C (mm)	CONFIGURATION (α)	OPERATION
220	45	MANUAL
		MOTORIZED
		PNEUMATIC
270	60	MANUAL
		MOTORIZED
		MOTORIZED
300	90	MANUAL
		MOTORIZED
		MOTORIZED
350	45	MANUAL
		MOTORIZED
		PNEUMATIC
500	90	MOTORIZED
		MOTORIZED
		MOTORIZED
800	45	MOTORIZED
		MOTORIZED
		MOTORIZED

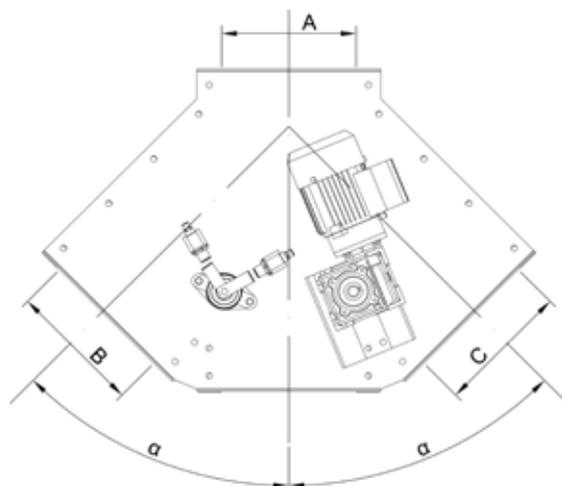

THREE WAY DIVERTER VALVE

A three-way valve that separates the flow of grain into three different pathways, blocking two outlets with a flap valve while allowing grain passage through the other outlet.

DIMENSIONS A, B, C, D (mm)	CONFIGURATION (α)	OPERATION
220	45	MOTORIZED
		MANUAL
270	45	MOTORIZED
300	45	MOTORIZED
350	45	MOTORIZED
500	90	MOTORIZED

DISTRIBUTORS

Circular distributors with rotating or swinging tubes and free-fall, composed of a conical-shaped body with an inlet at the top and multiple outlets (as needed). Based on their operation and number of inputs, we have two types of distributors:

1. Circular – Single input
2. Pendular – Two inputs

Characteristics of distributors:

- Multiple outlets available according to customer needs
- Motorized
- We offer an extensive catalog of dimensions based on the installation's capacity

NR. INPUTS	NR. OUTPUTS	DIMENSIONS A, B, C, D (mm)	CONFIGURATION (α)	OPERATION	
1	4	200	CIRCULAR 45°	MOTORIZED	
		220		MOTORIZED	
		244		MOTORIZED	
		300		MOTORIZED	
	6	200	200	CIRCULAR 45°	MOTORIZED
				CIRCULAR 60°	MOTORIZED
		220	220	CIRCULAR 45°	MOTORIZED
				CIRCULAR 60°	MOTORIZED
		250	250	CIRCULAR 45°	MOTORIZED
				CIRCULAR 60°	MOTORIZED
		300	300	CIRCULAR 45°	MOTORIZED
				CIRCULAR 60°	MOTORIZED
	8	200	200	CIRCULAR 60°	MOTORIZED
					220
		244	244		MOTORIZED
300					MOTORIZED
9	9	200	CIRCULAR 45°	MOTORIZED	
2	6	275	PENDULAR	MOTORIZED	
		400		MOTORIZED
